

Thanks Volunteers

We are hosting an APPRECIATION Event for all our 2023 Volunteers this February, the month of Love and Gratitude.

Volunteering Reiki in the community is an especially rewarding experience! If you are a Reiki practitioner and would like to help lay hands on people at events for Veterans, Alzheimer care givers, Breast Cancer survivors, and Animals lovers, we are the place to start. We welcome all practitioners to join the San Diego Reiki Corps (see Members Page) and check out our schedule of Outreach opportunities (see Events Page). The Events Page also lists all the Outreach History with lots of photos of happy practitioners. Come join us!!

We apologize to you all that could not attend the new date for this event. It was quite wonderful!! Amazing food, a singing bowl concert and a special Thank You gift! Next year we hope to see many more volunteering.

**Thank you Jan Burke for hosting, you're the BEST!!
The bowls sounded amazing in your space.
Can't wait for the Toning Workshop. See you all there!!**
