

Reiki Master Congress

October 19, 2019 marked the first Reiki Master Congress sponsored by the San Diego Reiki Corps (SDRC). Reiki Masters from across San Diego County were invited and 22 responded. Our thanks again to Julie Anne and Mark Moore for opening their beautiful grounds to us. A beautiful backdrop which inspired those attending. Lots of good conversation and the three groups worked diligently and came up with a good beginning to standardize Reiki in preparation for state licensure and meet insurance reimbursement requirements. After a delightful lunch, Erik Cohen introduced us to the healing qualities of Tibetan bowls. His knowledge was most impressive and he gave several demonstrations on using the sounds for healing and pain relief.

Many thanks to all who came and participated. It is just the beginning and a special thanks to those who volunteered to work as a committee as we continue moving forward in making Reiki a professional, universally accepted complimentary modality. Future plans include additional gatherings for Reiki Masters as well as a gathering Level I and Level II practitioners.
