

HANDS ON NEWS

from San Diego Reiki Corps

Welcome New Members!

This month's new members are **Kim Vu** and **Joyce Magner**.

Annual membership is due on the anniversary date of joining.

Renewed members are: **Susie Vine, Romel Hokenson, Cheryl Noble, Andrew Tremblay, Mary Holliday, and Mary Joy Neuru.**

What is New? This year the Board of Directors has taken three steps to support its members, the organization and the legitimacy of Reiki as a healing modality.

San Diego Reiki Corps now has Certificates of Membership which are beautifully designed. If you haven't received yours at an event, be watching your mail; it will soon arrive.

It is one of the Board's goals to encourage the kind of ethics in our members that one day will create an acceptance of Reiki by the State of California for licensing and certification. The Code Of Ethics will be posted on the website and each member will receive a frangible copy through e-mail.

It is also the policy of SDRC, to have a copy of each member's Reiki Certificate on file. When you complete a new level of training, make a copy of your Reiki Certificate and send it to ReikiHeart@cox.net.

If your phone, address, or e-mail changes, please help us keep our records up to date by completing a Renewal/Update Form.
