"Trauma Informed Care"

with Louise Lucas

This workshop was so well received. What a thought provoking Gathering about the traumas inflicted on today's population, especially on our precious children. Louise Lucas gave an informative overview about Trauma Informed Care and the needs of the affected community. Thank you Louise!

Community Outreach:

Thank you **Joan Boccio**, Director of Outreach. What a growing year this has been! SDRC has become a greater presence in the community! Be sure to look at the SDRC webpage for a listing of Community Events in which San Diego Reiki Corps members volunteered their services. There are NINE, and Joan is looking into adding more events as well as speaking engagements. We are so excited to be able to provide our members the opportunity to give to the community and to introduce the San Diego community to Reiki.

Go to the SDRC website for more information and calendar of events.
