President's Message:

Hello Everyone!!

Are we excited about the Conference in 2019 to CELEBRATE our 10 years of Incorporation as a 501(c)(3) organization? Yes, very excited!!! We have decided the event will be held at the Marina Village Conference Center in San Diego, 1936 Quivira Way, San Diego. It is titled "The Miracle of Healing".

While the board and the committees work to make this great event happen, we continue to offer Gatherings and Outreach events we hope you will attend and appreciate. Check out the website for more opportunities to do Reiki!

But the focus of this extra Newsletter is yes, to bring you up to date on the progress of the conference, but also to offer you opportunities to get more involved in the inner workings of this growing organization. And we need your help!!

We have so kindly been offered the Albert Beach House in Escondido as a Fundraising location. Julie Anne Moore, a current SDRC member, and her husband Mark have graciously allowed us this opportunity to show their home. But it is a huge undertaking and we'll need many volunteers before the event and as docents on the day of, and in a variety of locations, some outside and some inside the house.

The event, a Victorian Themed Psychic Faire will be advertised throughout the community and to antique hounds and historical home buffs. We are expecting a large crowd because the house has never been open to the public. It has been restored to perfect opulence of the 1890's and is somewhat of an urban legend in the Historical House Community. The restoration is indeed spectacular!!

As you know, everyone is volunteering, including the Readers. All proceeds go to the Conference Fund. Your support is needed. We'll be scheduling a meeting for volunteers soon, and shall keep you informed. For now please clear the 29th on you April calendar. And email me: mary-joy@cox.net to say "Yes, I'll volunteer!!"

As always, despite the work involved, it continues to be our goal to support each of you in your growth with Reiki, as well as to create a larger sense of belonging to this community and to a world in need of love and shared compassion. It is a gift we simultaneously give and receive with gratitude and pleasure.

Namaste.

So now it's time to knuckle down and get to work to make our Conference, our events, and our lives rich and full with our most benevolent outcomes.

On the following page there are additional opportunities for each of you to do something to help. **So get involved! We need you.** And be in joy and laughter.

In loving Service,

Mary-Joy

Victorian Psychic Faire and Fundraiser

Heartfelt THANKS to Julie Anne Moore and her husband Mark for offering this amazing fundraising opportunity to SDRC. THANK YOU!

ANOTHER OPPORTUNITY TO PARTICIPATE:

April 29, 2018 will be an exciting day for the San Diego Reiki Corps and the public as the Beach-Timken House aka Moore Manor will be open for tours. Meanwhile, outside of the house there will be lots going on. Readers will be available; baked goods in the food court, a Wheel of Fortune just for fun and vendors with wares to tempt you all. Mary-Joy and Serena have been meeting, talking, working and planning and **it is now time for others to join in.** We'll be meeting with the Gathering Committee shortly and Mary-Joy has already sent out a call for volunteers. Serena is putting together a program showcasing the house first and foremost with a photo and history of this beautiful treasure. Next will be an Introduction to Reiki for the public who've never heard of it (yes, there are still folks who have never heard of it!) and a History of the San Diego Reiki Corps. There will be a page featuring the readers with their photographs and a short bio of each; also a page listing the vendors and their specialties.

Since this is a fund-raiser getting us ready for the big conference in 2019, we're going to sell space for advertising. A standard business card, 3X2½, space is \$25.00. I know some of our members have businesses, some dedicated to Reiki and some not, but all will be welcome. If you are interested in having your business card in the program, please scan as a .jpeg and send a copy to Serena at spoisson1@roadrunner.com. If you'd like more information, either send an email or call 760-304-4126. **We need your information no later than March 15.** You should have received the flyer in your in box and it is available on the website now.

Hope to be seeing you at the event as well. Thank you!
