### President's Message:

Greetings everyone,  
It's Spring. What a lovely time to step back in time and enjoy a slower slice of life from times gone by. Although... Our Victorian Themed Psychic Faire will have a plethora of things to tantalize one's eyesight, palate and pocketbook. Get ready for a day packed with much to see and do. If you have already volunteered, THANK YOU!! If not there are still several spots to fill. Plan to come and spend a few hours or the whole day at this exquisitely restored Painted Lady owned by our own member, Julie Anne and her husband Mark Moore.

At this event there will be readers available, strolling minstrels, perhaps a harpist, Reiki demonstrations, goodies for sale and a Wheel of Fortune to play. We hope you all will attend and bring your friends.

Proceeds go towards our 2019 Conference,  
and towards supporting our many Outreach activities and Gatherings.

April is volunteer month!! How synchronistic? Not only is there a large group of members who will be working at the Psychic Faire and House Tours Event, but many of them will continue to give Reiki at our other Outreach opportunities. Bravo and Thank you all!!

So amidst all the busyness of Spring flowers blooming and veggies beginning to push up through the soil... Take a deep breath and connect into that energy of newness and growth. Connect into it with your Reiki Self and allow the two to nourish one another. See that abundance of Spring charging all that you are and all that you do. Allow, Allow, Allow!! Allow Love to permeate everything you are and everything you do. Be Love! Share Love! Allow Love! And so it is.

Namaste

# Nathan Keller - a friend to SDRC

Irene and Nathan Keller

It is with great sadness that I report, Nathan Keller, our friend and wonderful Aura Photo Reader passed away on February 17th, 2018. He is survived by his beautiful wife Irene. Our hearts are with you both, on both sides of the veil.

Thank you Nathan for all you have given to SDRC.  
Mary-Joy,  
Current President.

Hi Everyone,

On April 22nd, many of us will be celebrating the life of our dear friend, Nathan Keller. During my four years as President of SDRC, Nathan and his wife, Irene, were a wonderful support team at many of our workshops and our very first SDRC conference. They were the people that introduced us to Aura photography and Nathan, as a psychic medium, helped us understand what we were looking at! They also invited us to join them at their amazing home in Ramona that actually includes 7 magical crystal labyrinths! We loved it so much, we went back the next year!

Irene continues to guide us in the world of Aura photography at the New Earth Expos but we will miss Nathan's gentle questions and insightful guidance and teachings. Rest well, Nathan, we are thankful for you.

In Gratitude,

Kathy Cueva, RN, Reiki Master Teacher  
Past President, San Diego Reiki Corps

On the day I die, when I'm being carried  
Toward the grave, don't weep. Don't say

He's gone He's gone. Death has nothing  
To do with going away. The sun sets and

the moon sets, but they're not gone.  
Death is a coming together. The tomb

Looks like a prison, but it's really  
Release into union. The human seed goes

down in the ground like a bucket into  
the well where Joseph is. It grows and  
comes up full of some unimagined beauty.  
Your mouth closes here and immediately

opens with a shout of joy there.

Rumi

## Story #4, 4-1-18

*When I first met one of my Reiki students, she was working in an office setting. It was a business I frequented somewhat regularly. After we got to know each other, she told me she was bi-polar and on medication. I thought perhaps Reiki could help.*

*After I introduced her to Reiki and we began to move through the classes and levels, I realized she was a highly sensitive empath. As a young child, she would get sick when anyone around her became ill. Except that...although the symptoms were there, the illness was not. So doctors decided she was bi-polar and put her on medication as it seemed to help.*

*Over the years there were other complications and situations that made me wonder if she really needed bi-polar medication. After we discussed her life choices and experiences, she decided to wean herself off the medication. To keep her energy in balance we substituted meditations, as well as grounding and protection techniques.*

*Today she takes no medication, has a spiritual routine, and rarely needs outside help to balance her energies. She is grateful to have found Reiki and other tools to stay off the medications. Her life is much richer! She is on a path she loves and feels she is participating in life instead of only observing.*

*Thank you Reiki!  
Life is good!!*
